

La Crescent Animal Rescue (LAR) is a 501(c)3 non-profit organization. The group consists of a small number of volunteers, who take in and care for stray and abandoned animals. The organization pays for all the veterinary care, food, and supplies for these animals. To date, LAR has rescued and placed over 500 dogs and cats into permanent homes. Now that the organization has an actual shelter, they have received even more animals needing medical attention. Therefore, La Crescent Animal Rescue is in need of financial support to help pay for the cost of caring for its animals. If you are able to help with a monetary donation, you can choose the desired amount, or fill in your own, and you can also decide if you want to make a one-time or monthly donation.
